

# Mount Horeb Public Library

## Map Legend

-  Self Checkout Station
-  Printer/Copier
-  Public Computers

**Please Note:** Additional library information is listed on the back of this map. You can also use the library from home by going to our website at [www.mhpl.org](http://www.mhpl.org). There you can search for books and media, find out library policies and contact library staff by email. If you have any questions or concerns about the library or the website, please, let us know.

## Library Services

### Computer Lab

Library computers are your avenue to free internet access, current software and databases containing information on everything from local businesses, to specialized testing, foreign language skills and car repair. Kids and adults can do research, job hunt, learn a new language or just surf the web, in a comfortable, quiet environment.

Other computers throughout the library offer games such as Wii, GameCube & others.

### Copy/Print/Fax

Why go anywhere else to copy, print or fax your documents? At 10 cents a side (including mistakes) this is one of the best deals in town, especially for color copies.

### Meeting & Study Rooms

The library meeting room contains a kitchen, tables, chairs and has one wall devoted to a white board. Perfect for any group wanting a clean, quiet space for their meetings. The library also offers two study rooms which can be reserved in advance or, if available, used as needed.

### Free Wi-Fi

You don't need to find a coffee shop or free table at the restaurant to access the internet from your laptop. Our main reading room offers plenty of natural light, tables and comfortable chairs and, if you like, there's even a coffee bar.

We want the Mount Horeb Public Library to reflect the needs of Mount Horeb and the surrounding areas we serve. If you have any suggestions or comments, please, let us know. Talk to a staff person, fill out a comment card or send us an email. We'd like to hear from you.

### Library Policies

All library policies are listed under the policy section of our website. If you have any questions about a particular policy or rule, please ask us, we'll be happy to explain them further.

## Things you can do today to get *more out* of your library...

### 1. Sign up for e-notices.

Be notified by email when requested items and when your items approach their due date. This saves money in late fees and helps us serve you better.

Sign up for email notices of events & workshops also, a great way to keep up with everything going on at the library.

### 2. Use the website to find & order books & materials.

Go to [www.mhpl.org](http://www.mhpl.org) and click on "Search iPac" at the top of the left menu. Enter your bar code and pin to place an item on hold or put it on your list.

*Please remember that you still have to check out an item reserved for you on the hold shelf.*

### 3. Use the Help Desk.

Staffed by experienced librarians, the Help Desk is the place to find materials or information, check in to the computer lab or pay for printouts from the printer located in the computer lab.

### 4. Attend library events.

The Mount Horeb Public Library proudly offers a variety of events year round, for children & adults. From computer classes to storytimes, book groups to concerts, our free programs offer fun, interactive, educational & cultural experiences.

For a complete list of the upcoming events, go to [www.mhpl.org](http://www.mhpl.org), ask at the Check Out desk or take a look at the monthly calendar posted at the entrance.

## Hours

Mon-Thurs 9:30-8:30

Friday 9:30-5:30

Saturday 9:30 - 5:00
