Community Bulletin Board Policy

Mount Horeb Public Library provides space on its public bulleting board for notices, announcements and community events. This service is extended in the spirit of community and to provide access to a wide variety of sources of information.

Staff may discard items not appropriate for placement and excess copies of any items received. Library staff reserves the right to remove postings.

Staff will follow publicly posted guidelines in making decisions about placement of materials. Items will be posted or made available on an equitable basis, subject to available space, regardless of the beliefs or affiliations of the individuals or groups represented.

Religious and political materials are permissible for informational purposes or special events; materials which have the primary effect to proselytize for a single point of view will not be displayed.

Posting of a notice or placement of materials in a display rack does not imply endorsement by library staff or the library board.

Generally, notices will not be posted for longer than three weeks. The library is unable to make arrangements for any notices to be returned.
