fill out the back of this form.**

Acceptance of Responsibility Agreement

- I will be responsible for all materials checked out on this card, including materials checked out by others with or without my consent, unless I have previously reported the loss of my card.
- Mt. Horeb Public Library is not responsible for any damage to the borrower's media devices while used in conjunction with library audio-visual materials. Patrons who use library materials with media devices assume all risk of loss or damage to such devices caused by media items.
- I understand that there will be charges for lost, damaged and stolen library materials.
- I will report a lost or stolen card, as well as any change of personal information (name, address, phone, email), immediately.
- I will comply with all library rules and policies. (Please see library's website, www.mhpl.org, for policies.)
- The responsibility for the use and circulation of library materials by children rests with their guardian. No borrowing restrictions are placed on children once their guardian has signed the application form.

Library Card Application

Continued from front.

This side is only necessary if applicant is under age 16.

MOUNT HOREB PUBLIC LIBRARY

Internet Use Agreement for Children under 16

- The public library, unlike schools, does not serve in loco parentis. Librarians cannot act in the place of legal guardians in providing supervision of children as they explore online. The library's internet is not filtered in order to provide open access to all library patrons.
- The responsibility for what minors read or view online rests solely with legal guardians.
- Blocking access only applies to in house computers (not wireless or mobile devices) and the specific library card account the legal guardian identifies. The block expires when the child turns sixteen (16) years old.
- To accomplish an internet block, patrons are unable to log in to library computers for any purpose.

Yes, my child may have access to the internet.

No, my child may not have access to the internet.
